

PROFESSIONAL PROFILE

~ **Brandon Markle** ~

General Manager | Hospitality Professional | Community Builder

As General Manager of a vibrant hotel in Lansing, Michigan, I lead with purpose, passion, and a deep commitment to hospitality. I thrive on creating exceptional guest experiences and forging meaningful partnerships that strengthen our local community. From supporting events with Lugnuts Baseball and Michigan State Athletics to serving on the Choose Lansing advisory board, I'm proud to play a role in making our city more connected and welcoming every day.

Driven by results and inspired by progress, I find true excitement in seeing hard work translate into real impact. In my first year at this location, I was honored to receive the company-wide Rookie of the Year award—a milestone that continues to fuel my pursuit of excellence.

Beyond the hotel, I'm actively working toward a General Business degree while balancing full-time leadership responsibilities. I also share a personal goal with my brother: to visit all 50 states before I turn 40, combining our love for travel with unforgettable experiences.

At my core, I believe in the power of positivity. Few things bring me greater joy than seeing someone smile—especially when I've helped make that moment possible.
