

GREETINGS & BRIEFINGS MESSAGE FROM OUR CHIEF OPERATING OFFICER

Amy J. Partin

Living a purpose-driven life has always mattered deeply to me. Looking back, I can see that while my path to the Institute wasn't expected, every step prepared me for this moment. I am truly energized by advancing our inspiring mission — transforming leaders and organizations through love.

At the Empowerment Institute for Michigan, we open our arms to emerging leaders, seasoned leaders, and organizations across our state. We offer evaluation, training, and workforce empowerment strategies that help people and organizations thrive. Through our foundation, we ensure that everyone has the opportunity to participate, regardless of financial limitations. What makes this work meaningful is its simplicity and its truth: when people feel grounded in who they are, and when organizations honor that humanity, lasting satisfaction and success follow.

Our Joy-at-Work framework, already impacting thousands around the world, brings this truth to life. By focusing on the intersection of personal and organizational needs, we make joy not an ideal but a practical, measurable driver of performance, culture, and meaningful outcomes. Together, we are building healthier workplaces, stronger communities, and a more empowered Michigan — one leader, one team, and one organization at a time.

I hope you'll join us on this journey!

Amy J. Partin

Chief Operating Officer (COO)

The Empowerment Institute of Michigan
